OFFICE OF PERSONNEL MEMORANDUM NO: 20-17-28

SUBJECT: Announcements of Anticipated Vacancies in the MP
Career Subgroup

1. In response to the expressed interest of many Personnel Officers, a list of anticipated vacancies in MP Career Subgroup positions will be published periodically. Up to the present time, the procedure for filling requirements has involved competitive evaluation exercises and the use of competitive rankings by the appropriate Career Board and Panel in selecting careerists for assignments. This procedure will continue. In addition, however, careerists will be advised of anticipated openings. The Notices will identify positions by title, grade, and organization that OP management considers will become vacant sometime during the next 18 months. The identification of the requirements is, of course, only an estimate; all published requirements may not become actual vacancies.

2. The OP/CMO is available, [redacted] to provide a brief description of the duties and the qualifications required for each position. MP careerists who believe they meet the qualifications and who have a definite interest in applying for an identified position should advise the OP/CMO in writing. Other comments the careerist may have concerning his/her interest in career development, counseling, training, etc. should be made known, as is the current practice, to the OP/CMO, Room 5 E-68, Hqs.
